

### Vision

Healthier, drug-free community, and to prevent underage drinking

### Mission

To prevent or delay the early onset of substance misuse, including underage drinking, through collaborative planning and community action

***Under 21, No Can!***

### **KNOW THE LAW!**

By breaking the law, you could face up to 1 year in jail and/or fines up to \$2,000

### Enjoy Responsible Ohana Time

As a parent, encourage and support behavior that PREVENTS underage drinking

#### **During parties:**

- ✓ Be a parent, not a bartender  
Drinking alcohol is illegal for anyone under 21
- ✓ Separate coolers  
Separate alcoholic and non-alcoholic beverages in labeled coolers for responsible beverage handling

#### **At home:**

- ✓ Talk and listen  
Encourage ohana to share their concerns and ask questions about drugs and alcohol

#### **Away from home:**

- ✓ Offer a ride  
Remind ohana to call for a ride instead of getting into a vehicle with a drunk driver
